2. Cautions

- (1) Install the LG Pentouch Dongle on your PC according to the USB dongle installation instructions; this allows the LG Touch Pen to work properly.
- (2) Start using the LG Pentouch Dongle by first pairing it with the TV, as instructed in the user manual.
- (3) Do not disassemble or heat the product.
- (4) Avoid extreme shocks to the product that can damage the case.
- (5) Do not put the product in water.

3. Customer Support

- (1) See the service contact in the TV manual.
- (2) Warranty period: 1 year (Europe : 2 Years)

If you find a technical defect or problem in the course of normal use during the warranty period, please contact your dealer. This warranty applies only to the purchaser in the region where the product is purchased.
