1 TV Connection

Connect the speaker and TV using Optical (Ⓐ) or HDMI ARC (Ⓑ).

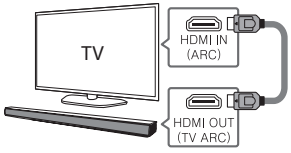

Ⓐ Optical

1. Connect the speaker to the TV using Optical cable.
2. Set up [External Speaker (Optical)] on your TV setting menu.

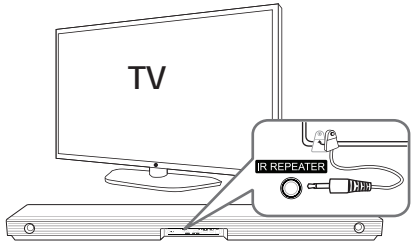

Ⓑ HDMI(ARC) Connection

1. Connect the speaker to the TV using HDMI cable.
2. Set up [External Speaker (HDMI ARC)] on your TV setting menu.

2 IR Repeater Connection

IR Repeater is supplied as an accessory with the unit in order to communicate well with the remote control and the TV.

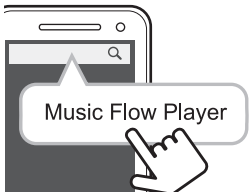

1. Put IR Repeater on the back of the unit with the sensor of IR Repeater facing the remote sensor of the TV.
2. Connect the end of IR Repeater to IR REPEATER jack.

Connect speaker to Network

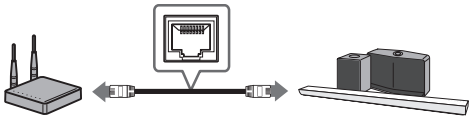

1 Check network condition
A router connected to network should be installed.

2 Download LG Music Flow Application
Download "Music Flow Player" on the Apps Store or Google Play Store.

3 Connect devices to router
Launch Music Flow Player App and follow the steps for wired or wireless connection displayed on the screen. All devices should be connected to same router.
