Turn off the unit by using the power button.

### Replacement of battery

### Open source software notice

To obtain the source code under GPL, LGPL, MPL and other open source licenses, that is contained in this product, please visit <http://opensource.lge.com>.

In addition to the source code, all referred license terms, warranty disclaimers and copyright notices are available for download.

LG Electronics will also provide open source code to you on CD-ROM for a charge covering the cost of performing such distribution (such as the cost of media, shipping and handling) upon email request to [opensource@lge.com](mailto:opensource@lge.com). This offer is valid for three (3) years from the date on which you purchased the product.

## 1 TV Connection

- 1 Connect the HDMI jack on the player to the HDMI jack on the TV using a HDMI cable.

- 2 Set the input selector to HDMI on the TV.
- 3 Follow the instructions on the TV screen using remote control.

To enjoy online services, the player should be connected to internet through wired or wireless connection.

## 2 Home Menu

After initial setup, Home menu appears on the TV screen. Enjoy various functions on the player.

### Controller App

Download the **LG AV Remote** App to your device.

### Private Sound Mode

### With MUSICflow
