ENGLISH Installing and Using the Product

Please read this manual carefully before operating your set and retain it for future reference.
To view the instructions of advanced features, visit <http://www.lg.com> or scan QR code and then download Owner's Manual. Some of the content in this manual may differ from your product.

- (A) Receiver
- (B) Remote Control Receiver / Status Display
- (C) External Device - (Blu-ray player, game console, etc.)
- (D) Front speaker with built in subwoofer
- (E) Surround (Rear) speaker

1 Connecting the receiver with speakers

Match each speaker cable plugs to the same coloured connection terminal on the rear of the receiver. When connecting a speaker cable plugs to the receiver, insert the connector until it clicks.

2 Connecting the supplied FM antenna

3 Connecting the receiver to your TV via an optical cable or an HDMI cable

- 1 Press the **Power** button to turn on the receiver.
- 2 Press the **Function** button repeatedly until "OPT/HDMI ARC" appears on the status display.
- 3 On your TV's settings, set the output speaker to [HDMI ARC], [Optical], or [External Speaker].
- 4 When the TV is properly connected to the product, "OPTICAL", "ARC" will appear on the status display.

4 If you are using an external device (ex. Blu-ray player, game console, etc.), connect it to the receiver via an HDMI cable.

5 Playing Music from the USB

- 1 Press the **Power** button to turn on the receiver.
- 2 Plug the USB storage device into the USB terminal.
- 3 Press the **Function** button repeatedly until "USB" appears on the status display.
- 4 Press the **Play/Pause** button to enjoy the music.

6 Connecting a Portable Device

- 1 Press the **Power** button to turn on the receiver.
- 2 Connect the external device to the AUX terminal via a 3.5 mm stereo cable. Product will automatically recognised when connecting a stereo cable. "AUX" will appear on the status display.
- 3 Turn the external device on and start playing.

7 Connecting the product to your smartphone via Bluetooth

- 1 Press the **Power** button to turn on the receiver.
- 2 Tap the **Settings** button on your smartphone and select **Bluetooth**. Turn on the **Bluetooth** function. (Off > On)
- 3 Press the **Bluetooth pair** button on the remote control. After a moment, you will see "BT READY" on the status display.
- 4 Find and tap the product on your smartphone. The product appears as "LG-MR11 (XX)".
- 5 When the product is connected to your smartphone via **Bluetooth**, you can see the status display change from "PAIRED" → "Connected Bluetooth device name" → "BT".

8 Connecting the LG XBOOM App

- 1 Find the **LG XBOOM** app on the Google Play or App Store and install it on your smartphone.
- 2 Run the **LG XBOOM** app and use more features.
