Stap 01

De AC-adapter aansluiten

Nadat u de AC-adapter aangesloten hebt, zal de luidspreker beginnen opstarten. Vervolgens zal het functieled roteren gedurende tien seconden (ong. 30 - 50 seconden) tijdens het opstarten.

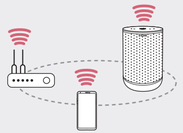

Stap 02

Installatie van de "Google Home"-app

Download de Google Home-app van Google Play of de App Store.

Stap 03

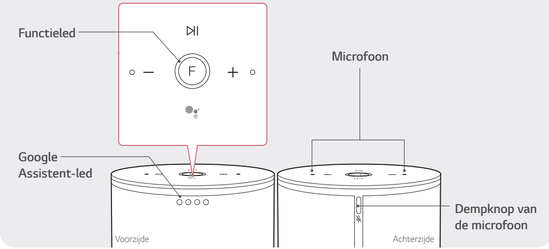

De wifiverbinding instellen

Open de “Google Home”-app en volg de stappen voor de wifiverbinding op de app.

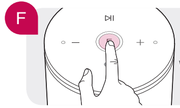

ⓘ **Snelle instelling**
De Bluetooth-functie op uw smarttoestel activeren → De stappen op de app volgen → De wifiverbinding sneller instellen

Basisbediening

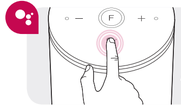

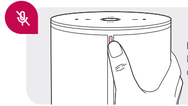

Tik op ⏯
Afspelen / pauzeren

Tik op F
Van functie veranderen

Houd gedurende 2 seconden ingedrukt
Activeer de Google Assistent (= Ok Google)

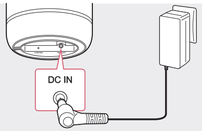

Druk op 🔇
Microfoon activeren / deactiveren

Los geht's mit **WK7**

MBM66475929

Schritt 01

Verbinden Sie den AC-Adapter

Nach dem Anschließen des AC-Adapters startet der Lautsprecher. Daraufhin rotiert die Funktions-LED für einige Sekunden (ca. 30 ~ 50 Sekunden) während des Boot-Vorgangs.

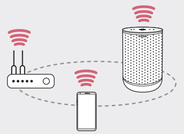

Schritt 02

Installieren Sie die "Google Home" App

Laden Sie die Google Home App aus dem Google Play oder App Store herunter.

Schritt 03

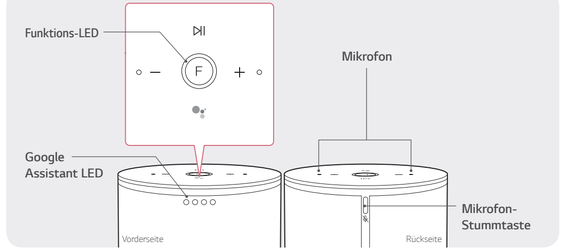

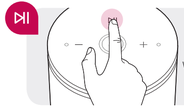

Richten Sie die WLAN-Verbindung mit der App ein

Starten Sie die "Google Home"-App und befolgen Sie die dort vorgegebenen Schritte zum Aufbau einer WLAN-Verbindung.

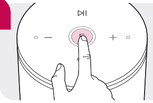

ⓘ **Schnelle Einrichtung**
Aktivieren Sie die Bluetooth-Einstellungen auf Ihrem Smart-Gerät → Befolgen Sie die in der App vorgegebenen Schritte → Schnellere Einrichtung der WLAN-Verbindung

Grundfunktion

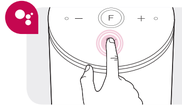

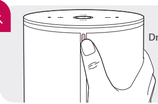

Tippen Sie auf ⏯
Wiedergabe / Pause

Tippen Sie auf F
Funktionswechsel

Drücken Sie für ca. 2 Sekunden
Hiermit aktivieren Sie den Google Assistenten (Ok Google)

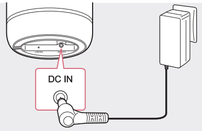

Drücken Sie auf 🎙
Spracherkennung aktivieren / deaktivieren

Premiers pas avec **WK7**
