SJ4Y/SJ4R/SJ5Y Software Update Guide - Preparation

Step 1. Prepare SJ4/SJ5 update Software.

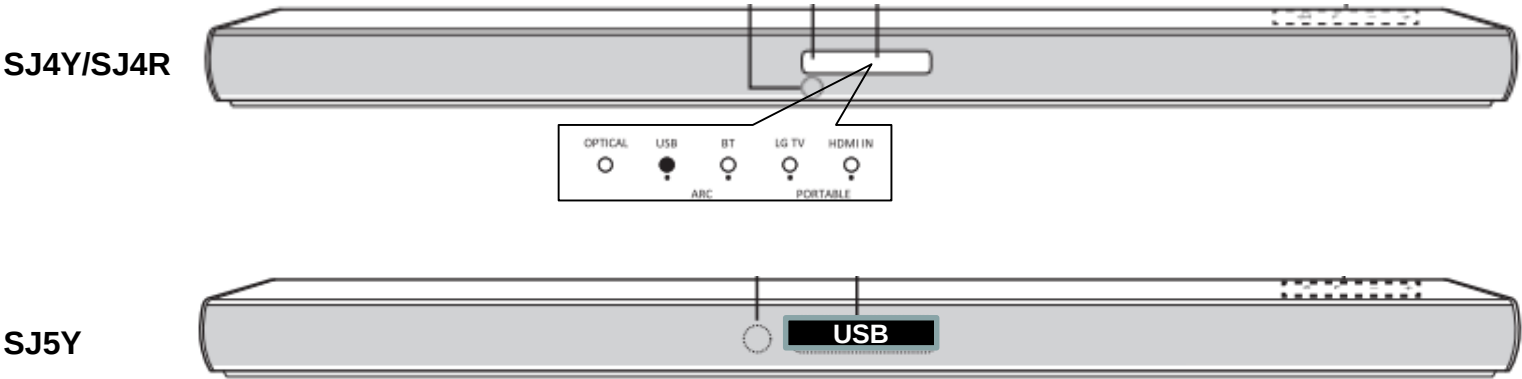

Update module	Filename Sample
Micom	SJ4Y/SJ4R : MICOM_SJ4_1704262_919D_rev3093.HEX SJ5Y : MICOM_SJ5_1704262_919D_rev3093.HEX

Step 2. Copy software to USB memory.

Step 3. Power on SJ4Y/SJ4R/SJ5Y main unit.

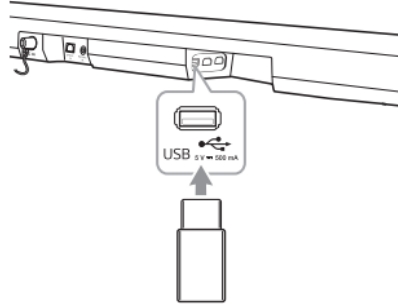

Step 4. Press Function key to change function to USB.

※ Verify whether USB function is or not by VFD(SJ5Y) or LED(SJ4Y/SJ4R).

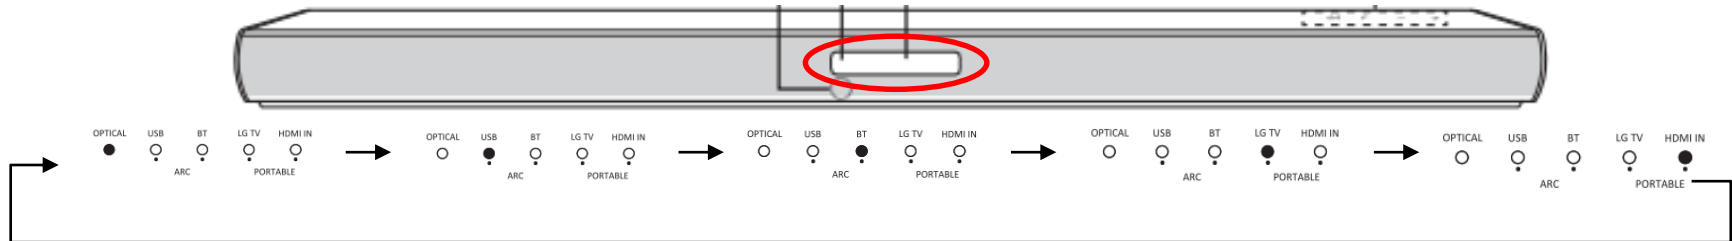

SJ4Y/SJ4R/SJ5Y Software Update Guide - Preparation

Step 5. Attach USB which has update software to the USB slot back of SJ4Y/SJ4R/SJ5Y main unit.

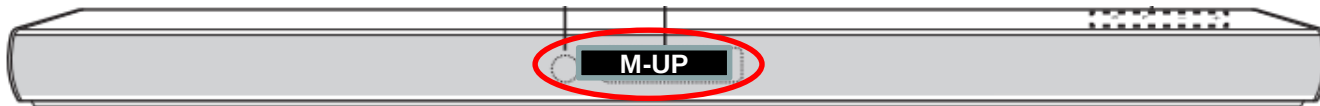

Step 6. Update will start automatically.

※ SJ4Y/SJ4R : Check whether function LED blinks one by one to the right direction

※ SJ5Y : Check whether VFD is “M-UP”

Step 7. SJ4Y/SJ4R/SJ5Y main unit will be off automatically after update finish.
