Customer Support

You can update the Player using the latest software to enhance the products operation and/or add new features. To obtain the latest software for this player (if updates have been made), proceed the software updates as above or visit <http://www.lg.com> or contact LG Electronics customer care centre.

Kundendienst

Die Software des Players kann auf die neueste Version aktualisiert werden, um den Funktionsumfang zu erweitern und/oder neue Funktionen hinzuzufügen. Um die neueste Software-Version für diesen Player zu erhalten (falls Updates durchgeführt wurden), führen Sie wie oben beschrieben einen Software-Update durch, gehen Sie auf <http://www.lg.com> oder kontaktieren Sie das Kundendienst-Center von LG Electronics.

Support client

Vous pouvez mettre à jour le lecteur avec les logiciels les plus récents afin d'améliorer son fonctionnement et/ou d'ajouter de nouvelles fonctionnalités. Pour obtenir le logiciel le plus récent de ce lecteur (si les mises à jour ont été effectuées), faites les mises à jour du logiciel comme indiqué ci-dessus ou visitez <http://www.lg.com> ou contactez le service clientèle de LG Electronics.

Asistencia al cliente

Es posible actualizar el reproductor con el software más reciente para mejorar el funcionamiento de los productos o agregar nuevas funciones. Para conseguir el software más reciente para este reproductor (en caso de que se hayan hecho actualizaciones), realice las actualizaciones de software como se muestra anteriormente, entre en <http://www.lg.com> o póngase en contacto con el centro de atención al cliente de LG Electronics.

Assistenza clienti

Potete aggiornare il lettore usando il software più recente per migliorare il funzionamento del prodotto e/o aggiungere nuove funzionalità. Per ottenere il software più recente per il player (se sono stati fatti gli aggiornamenti), effettuare gli aggiornamenti software come sopra o visitare il sito o contattare il centro assistenza clienti LG Electronics a <http://www.lg.com>.

CAUTION: TO REDUCE THE RISK OF ELECTRIC SHOCK DO NOT REMOVE COVER (OR BACK) NO USER-SERVICEABLE PARTS INSIDE. REFER SERVICING TO QUALIFIED SERVICE PERSONNEL.

This lightning flash with arrowhead symbol within an equilateral triangle is intended to alert the user to the presence of uninsulated dangerous voltage within the product's enclosure that may be of sufficient magnitude to constitute a risk of electric shock to persons.

The exclamation point within an equilateral triangle is intended to alert the user to the presence of important operating and maintenance (servicing) instructions in the literature accompanying the product.

WARNING: TO PREVENT FIRE OR ELECTRIC SHOCK HAZARD, DO NOT EXPOSE THIS PRODUCT TO RAIN OR MOISTURE.

WARNING: Do not install this equipment in a confined space such as a book case or similar unit.

CAUTION: Do not use high voltage products around this product. (ex. Electrical shaver) This product may malfunction due to electrical shock.

CAUTION: No naked flame sources, such as lighted candles, should be placed on the apparatus.

CAUTION: Do not block any ventilation openings. Install in accordance with the manufacturer's instructions.

Slots and openings in the cabinet are provided for ventilation and to ensure reliable operation of the product and to protect it from over heating. The openings shall be never be blocked by placing the product on a bed, sofa, rug or other similar surface.

This product shall not be placed in a built-in installation such as a bookcase or rack unless proper ventilation is provided or the manufacturer's instruction has been adhered to.

Use of controls, adjustments or the performance of procedures other than those specified herein may result in hazardous radiation exposure.

CAUTION concerning the Power Cord
To disconnect power from the mains, pull out the mains cord plug. When installing the product, ensure that the plug is easily accessible.

CAUTION: The apparatus should not be exposed to water (dripping or splashing) and no objects filled with liquids, such as vases, should be placed on the apparatus.

This device is equipped with a portable battery or accumulator.

Safety way to remove the battery or the battery from the equipment: Remove the old battery or battery pack, follow the steps in reverse order than the assembly. To prevent contamination of the environment and bring on possible threat to human and animal health, the old battery or the battery put it in the appropriate container at designated collection points. Do not dispose of batteries or battery together with other waste. It is recommended that you use local, free reimbursement systems batteries and accumulators. The battery shall not be exposed to excessive heat such as sunshine, fire or the like.

Disposal of your old appliance

1. This crossed-out wheeled bin symbol indicates that waste electrical and electronic products (WEEE) should be disposed of separately from the municipal waste stream.
2. Old electrical products can contain hazardous substances so correct disposal of your old appliance will help prevent potential negative consequences for the environment and human health. Your old appliance may contain reusable parts that could be used to repair other products, and other valuable materials that can be recycled to conserve limited resources.
3. You can take your appliance either to the shop where you purchased the product, or contact your local government waste office for details of your nearest authorised WEEE collection point. For the most up to date information for your country please see www.lg.com/global/recycling

Disposal of waste batteries/accumulators

1. This symbol may be combined with chemical symbols for mercury (Hg), cadmium (Cd) or lead (Pb) if the battery contains more than 0.0005% of mercury, 0.002% of cadmium or 0.004% of lead.
2. All batteries/accumulators should be disposed separately from the municipal waste stream via designated collection facilities appointed by the government or the local authorities.
3. The correct disposal of your old batteries/accumulators will help to prevent potential negative consequences for the environment, animal and human health.
4. For more detailed information about disposal of your old batteries/accumulators, please contact your city office, waste disposal service or the shop where you purchased the product. (<http://www.lg.com/global/sustainability/environment/take-back-recycling/global-network-europe>)

For Wireless product European Union Notice

CE 09840 LG Electronics hereby declares that this/these product(s) is/are in compliance with the

essential requirements and other relevant provisions of Directive 1999/5/EC.

Please contact to the following address for obtaining a copy of the DoC (Declaration of Conformity).

European Standards Centre:
Krijgsman 1, 1186 DM Amstelveen, The Netherlands

• Please note that this is NOT a Customer Service contact point. For Customer Service Information, see Warranty Card or contact the dealer that you purchased this product.

Indoor use only.

RF Radiation Exposure Statement
This equipment should be installed and operated with minimum distance 20cm between the radiator and your body.
