

Specification

Power Supply:

- 5 V $\overline{\text{DC}}$ 2.0 A (AC Adapter)
- Built-in rechargeable battery

AC Adaptor:

- Model: WB-10A05FG
- Manufacturer: Yang Ming Industrial
- Input: AC100-240 V, 50/60 Hz
- Output: 5 V $\overline{\text{DC}}$ 2.0 A

Dimensions (W x H x D):

- Approx. 193 mm x 65 mm x 65 mm

Net Weight:

- Approx. 520 g

Operating Temperature:

- 0 °C to 35 °C

Operating Humidity:

- 5 % to 60 %

External Connector:

- \varnothing 3.5 mm mini jack
- Micro USB port for charging battery

Communication:

- Bluetooth 3.0

Amplifier:

- 3 W + 3 W (8 Ω at 1 kHz)
- THD: 10%

Speaker:

- Type : Built-in
- Impedance Rate : 8 Ω
- Rated Input Power : 3 W
- Max. Input Power : 6 W

Android O/S for App installation:

Version: 2.3.3 (or higher)

- Design and specifications are subject to change without notice.

Troubleshooting

No power

- The battery is discharged. Recharge the battery.
- Connect the unit to the power supply with the AC adaptor

No sound or sound distortion

- The unit or your smart device's volume is set to minimum. Check and adjust the volume of the unit or bluetooth device's volume.
- When you use an external device at high volume, the sound quality may be deteriorated. Lower the volume of the devices.
- If you use the unit for purposes other than listening to music, the sound quality may be lowered or the unit may not work properly.

Bluetooth pairing does not work well.

- Switch bluetooth off and on again on your bluetooth device, then try pairing again.
- Be sure your bluetooth device is on.
- Remove the obstacle in the path of the bluetooth device and the unit.
- Depending on the type of the bluetooth device or surrounding environment, your device may not be paired with the unit.
- While using Bluetooth, you may not be able to activate BT app. Disconnect Bluetooth device you have connected before to use BT app properly.
- When your Bluetooth device have been already connected with other unit, disconnect the Bluetooth connection first. Then you can control your unit through BT app.
- Depending on the Bluetooth device, BT app may work restrictively not work.
- The connection you've made may be disconnected if you select other application or change the setting of the connected device via BT app. In such case, please check the connection status.

The unit does not operate normally.

- In case of malfunction, LED indicator is lit in red and white alternately. Please use the unit in proper place where the temperature or humidity is not so high or low.

Safety Information

WARNING:

- To prevent fire or electric shock hazard, do not expose this product to rain or moisture.
- Do not install this equipment in a confined space such as a book case or similar unit.

CAUTION:

- The apparatus should not be exposed to water (dripping or splashing) and no objects filled with liquids, such as vases, should be placed on the apparatus.
- No naked flame sources, such as lighted candles, should be placed on the apparatus.
- Internal lithium battery in the unit should not be replaced by user because of danger of explosion if battery is incorrectly replaced, and must be replaced with the same type battery by expert.
- Only use the AC adaptor supplied with this device. Do not use a power supply from another device or another manufacturer. Using any other power cable or power supply may cause damage to the device and void your warranty.
- To avoid fire or electric shock, do not open the unit, contact to qualified personnel only.
- Do not leave the unit in a place near the heating appliances or subject to direct sunlight, moisture, or mechanical shock.
- To clean the unit, use a soft, dry cloth. If the surfaces are extremely dirty, use a soft cloth lightly moistened with a mild detergent solution. Do not use strong solvents such as alcohol, benzine, or thinner, as these might damage the surface of the unit.
- Do not use volatile liquids such as insecticide spray near the unit. Wiping with strong pressure may damage the surface. Do not leave rubber or plastic products in contact with the unit for a long period of time.
- Do not place the unit over the vehicle's air bag. When the air bag deploys, it may result in injury. Before using in the car, fix the unit.
- Do not use the handsfree function during driving a car.
- Do not leave the unit on an unstable place such as high shelves. It may fall down because of the vibration of the sound.

CAUTION concerning the Power Cord

Most appliances recommend they be placed upon a dedicated circuit;

That is, a single outlet circuit which powers only that appliance and has no additional outlets or branch circuits. Check the specification page of this owner's manual to be certain. Do not overload wall outlets. Overloaded wall outlets, loose or damaged wall outlets, extension cords, frayed power cords, or damaged or cracked wire insulation are dangerous. Any of these conditions could result in electric shock or fire. Periodically examine the cord of your appliance, and if its appearance indicates damage or deterioration, unplug it, discontinue use of the appliance, and have the cord replaced with an exact replacement part by an authorized service centre. Protect the power cord from physical or mechanical abuse, such as being twisted, kinked, pinched, closed in a door, or walked upon. Pay particular attention to plugs, wall outlets, and the point where the cord exits the appliance. To disconnect power from the mains, pull out the mains cord plug. When installing the product, ensure that the plug is easily accessible.

This device is equipped with a portable battery or accumulator.

Safety way to remove the battery or the battery from the equipment: Remove the old battery or battery pack, follow the steps in reverse order than the assembly. To prevent contamination of the environment and bring on possible threat to human and animal health, the old battery or the battery put it in the appropriate container at designated collection points. Do not dispose of batteries or battery together with other waste. It is recommended that you use local, free reimbursement systems batteries and accumulators. The battery shall not be exposed to excessive heat such as sunshine, fire or the like.

NOTICE: For safety making information including product identification and supply ratings, please refer to the main label on the bottom of the apparatus.
