+ : Depending on model

CAUTION
Image shown may vary depending on model.
All connection cables & devices shown in the picture are not included along with the TV set.

CAUTION
Image shown may vary depending on model.
All connection cables & devices shown in the picture are not included along with the TV set.

NOTE
Image shown may vary depending on model.
All connection cables & devices shown in the picture are not included along with the TV set.

NOTE
• Some USB Hubs may not work. If a USB device connected using a USB Hub is not detected, connect it to the USB port on the TV directly.
• Connect the external power source if your USB is needed.

NOTE
ARC (Audio Return Channel)
• An external audio device that supports SIMPLINK and ARC must be connected using HDMI IN/ARC port.
• When connected with a high-speed HDMI cable, the external audio device that supports ARC outputs SPDIF audio without additional audio cable and supports the SIMPLINK function.

NOTE
• Do not look into the optical output port. Looking at the laser beam may damage your vision.
• Audio with ACP (Audio Copy Protection) function may block digital audio output.
