

LG Pra.L Derma LED Mask

Model name
BWL1

Mask Band Wearing Guide (Optional)

If the Derma LED mask is not to fit into your face tightly, Wear the Derma LED mask by using a supplied mask band. Attach the band to the Derma LED mask as shown below.

Put in the mask band in the same way on the other eye frame's leg.

- Adjust the hook to fit size of head and Insert the band as shown.
- If you feel pressure during band wear, loosen the band. When using the mask in a lying position, it is recommended that use the mask without wearing the mask band.
