Additional Information

Weitere Informationen / Informations supplémentaires / Información adicional / Informazioni aggiuntive

Customer Support

You can update the Player using the latest software to enhance the products operation and/or add new features. To obtain the latest software for this player (if updates have been made), proceed the software updates as above or visit http://www.lg.com or contact LG Electronics customer care centre.

Kundendienst

Die Software des Players kann auf die aktuellste Version aktualisiert werden, um den Funktionsumfang zu erweitern und/oder neue Funktionen hinzuzufügen. Die aktuelle Software für diesen Player (falls verfügbar) finden Sie unter http://www.lg.com, oder wenden Sie sich an den LG Electronics Kundendienst.

Support client

Vous pouvez mettre à jour le lecteur avec les derniers logiciels afin d'améliorer son fonctionnement et/ou d'ajouter de nouvelles fonctionnalités. Pour obtenir les derniers logiciels disponibles pour ce lecteur (si des mises à jour sont disponibles), visitez le site http://www.lg.com ou contactez le service après-vente LG Electronics.

Asistencia al cliente

Puede actualizar el reproductor con el último software para mejorar el funcionamiento del producto y/o añadir nuevas funciones. Para obtener el último software de este reproductor (si hubiera actualizaciones), visite http://www.lg.com o póngase en contacto con el Centro de atención al cliente de LG Electronics.

Assistenza clienti

È possibile aggiornare il lettore con il software più recente per ottimizzare il funzionamento del prodotto e/o aggiungere nuove funzioni. Per ottenere il software più recente per questo lettore (in caso di disponibilità di nuovi aggiornamenti), visitare http://www.lg.com oppure rivolgersi al centro assistenza clienti di LG Electronics.

Open source software notice

To obtain the corresponding source code under GPL, LGPL and other open source licenses, please visit http://opensource.lge.com. All referred license terms, warranty disclaimers and copyright notices are available to download with the source code.

Hinweise zu Open Source-Software

Eine Kopie der GPL-, LGPL- und anderer Open Source-Genehmigungen finden Sie unter http://opensource.lge.com. Sämtliche angegebenen Lizenzbedingungen, Haftungsausschlüsse und Hinweise zum Urheberrecht stehen als Quellcode zum Download bereit.

Avis concernant les logiciels open source

Pour connaître le code source correspondant de GPL, LGPL et d'autres licences open source, rendez-vous sur http://opensource.lge.com. Les conditions de licence, les déniis de responsabilités et les avis concernant les droits d'auteur sont disponibles en téléchargement avec le code source.

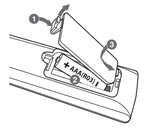

Aviso sobre el software de código abierto

Safety Information

Sicherheitshinweise / Consignes de sécurité / Información de seguridad / Informazioni di sicurezza

CAUTION
RISK OF ELECTRIC SHOCK DO NOT OPEN

CAUTION: TO REDUCE THE RISK OF ELECTRIC SHOCK DO NOT REMOVE COVER (OR BACK) NO USER-SERVICEABLE PARTS INSIDE REFER SERVICING TO QUALIFIED SERVICE PERSONNEL.

This lightning flash with arrowhead symbol within an equilateral triangle is intended to alert the user to the presence of uninsulated dangerous voltage within the product's enclosure that may be of sufficient magnitude to constitute a risk of electric shock to persons.

The exclamation point within an equilateral triangle is intended to alert the user to the presence of important operating and maintenance (servicing) instructions in the literature accompanying the product.

WARNING: TO PREVENT FIRE OR ELECTRIC SHOCK HAZARD, DO NOT EXPOSE THIS PRODUCT TO RAIN OR MOISTURE.

WARNING: Do not install this equipment in a confined space such as a book case or similar unit.

CAUTION: Do not block any ventilation openings. Install in accordance with the manufacturer's instructions.
Slots and openings in the cabinet are provided for ventilation and to ensure reliable operation of the product and to protect it from over heating. The openings shall be never be blocked by placing the product on a bed, sofa, rug or other similar surface. This product shall not be placed in a built-in installation such as a bookcase or rack unless proper ventilation is provided or the manufacturer's instruction has been adhered to.

Use of controls, adjustments or the performance of procedures other than those specified herein may result in hazardous radiation exposure.

CAUTION concerning the Power Cord
To disconnect power from the mains, pull out the mains cord plug. When installing the product, ensure that the plug is easily accessible.

CAUTION: The apparatus shall not be exposed to water (dripping or splashing) and no objects filled with liquids, such as vases, shall be placed on the apparatus.

This device is equipped with a portable battery or accumulator.

Safety way to remove the battery or the battery from the equipment: Remove the old battery or battery pack, follow the steps in reverse order than the assembly. To prevent contamination of the environment and bring on possible threat to human and animal health, the old battery or the battery put it in the appropriate container at designated collection points. Do not dispose of batteries or battery together with other waste. It is recommended that you use local, free reimbursement systems batteries and accumulators. The battery shall not be exposed to excessive heat such as sunshine, fire or the like.

Disposal of your old appliance

1. This crossed-out wheeled bin symbol indicates that waste electrical and electronic products (WEEE) should be disposed of separately from the municipal waste stream.
2. Old electrical products can contain hazardous substances so correct disposal of your old appliance will help prevent potential negative consequences for the environment and human health. Your old appliance may contain reusable parts that could be used to repair other products, and other valuable materials that can be recycled to conserve limited resources.
3. You can take your appliance either to the shop where you purchased the product, or contact your local government waste office for details of your nearest authorised WEEE collection point. For the most up to date information for your country please see www.lg.com/global/recycling

Disposal of waste batteries/accumulators

Pb

1. This symbol may be combined with chemical symbols for mercury (Hg), cadmium (Cd) or lead (Pb) if the battery contains more than 0.0005% of mercury, 0.002% of cadmium or 0.004% of lead.
2. All batteries/accumulators should be disposed separately from the municipal waste stream via designated collection facilities appointed by the government or the local authorities.
3. The correct disposal of your old batteries/ accumulators will help to prevent potential negative consequences for the environment, animal and human health.
4. For more detailed information about disposal of your old batteries/ accumulators, please contact your city office, waste disposal service or the shop where you purchased the product. (http://www.lg.com/global/sustainability/environment/take-back-recycling/global-network-europe)
