Quick Start Guide

Images shown in manual
may vary depending on model

Unpacking

Check your product box for the following items. If there are any missing accessories, contact the local dealer where you purchased your product. The illustrations in this manual may differ from the actual product and item.

+ Depending upon model

CAUTION
Image shown may differ from your TV
When attaching the stand to the TV set, place the screen facing down on a cushioned table or flat surface to protect the screen from scratches.

NOTE

- Some USB Hubs may not work, if a USB device connected using a USB Hub is not detected, connect it to the USB port on the TV directly.
- Connect the external power source if your USB is needed.

ARC (Audio Return Channel)
An external audio device that supports SIMPLINK and ARC must be connected using HDMI IN/ARC port.

When connected with a high-speed HDMI cable, the external audio device that supports ARC outputs SPDIF audio without additional audio cable and supports the SIMPLINK function.
