

## Additional Information

### Specifications

Power Requirements	Refer to the main label on the unit.
Power Consumption	Refer to the main label on the unit.
Dimensions (W x H x D)	Approx. 330.0 mm x 716.0 mm x 318.0 mm
Bus Power Supply (USB)	5 V  500 mA
Amplifier (Total RMS output power)	500 W RMS

Design and specifications are subject to change without notice.

### Caution

- Connect the power cord to wall outlet directly if possible. Or when you use an extension cable, it is highly recommended to use an extension cable of 110 V / 15 A or 230 V / 15 A, otherwise the unit may not operate properly because of the lack of power supply.
- Do not overload the extension cord with excessive electrical load.

### Replacement of battery

**POWER:** This unit operates on a mains supply of 200 - 240 V ~, 50 / 60 Hz.

**Wiring:** This unit is supplied with a BS 1363 approved main plug. When replacing the fuse, always use of the same rating approved to BS 1362. Never use this plug with the fuse cover omitted. To obtain a replacement fuse cover contact your dealer. If the type of plug supplied is not suitable for the mains sockets in your home, then the plug should be removed and a suitable type fitted. Please refer to the wiring instructions below.

**Warning:** A mains plug removed from the mains lead of this unit must be destroyed. A mains plug with bared wires is hazardous if inserted in a mains socket. Do not connect either wire to the earth pin, marked with the letter E or with the earth symbol  or coloured green or green and yellow. If any other plug is fitted, use same rating of fuse in the plug.

**Important:** The wires in this mains lead are coloured in accordance with the following codes:

- **BLUE: NEUTRAL, BROWN: LIVE:** As the colours of the wires in the mains lead of this unit may not correspond with the coloured marking identifying the terminals in your plug, proceed as follows: The wire which is coloured blue must be connected to the terminal which is marked with the letter N or coloured black. The wire which is coloured brown must be connected to the terminal which is marked with the letter L or coloured red.

# SIMPLE MANUAL

## Mini Hi-Fi

## Audio

Please read this manual carefully before operating your set and retain it for future reference.
